

YOUNG INTERPRETERS' NEWS

Volume 1 Issue 2

June 2014

2014 World Cup

The 20th FIFA World Cup in Brazil started on the 12th June and will finish on the 13th July 2014. It is the second time that Brazil has hosted the competition, the previous being in 1950. For the first time at a World Cup Finals, the matches will use goal-line technology. Goal-line technology is a method used to determine when the ball

has completely crossed the goal line with the assistance of electronic devices and at the same time assisting the referee in awarding a goal or not.

Who do you think is going to win the world cup? Put your suggestion in the box in the dinner hall. If you are the lucky person to guess the world cup winner, you will get 50 house points.

Do you think chocolate should be allowed in the tuck shop?

As chocolate contain lots of sugar it is bad and unhealthy, some people say that it is good for you but others say that it is terrible.

We asked children what they think about chocolate. Melany said "It is bad for you so therefore don't eat

too much." Ismail said that chocolate is a waste because it rots your teeth Lucy says that it gives you plaques in your teeth and it's not

healthy.

Wiktor thinks that chocolate is nice especially white chocolate. "Mm it's so nice."

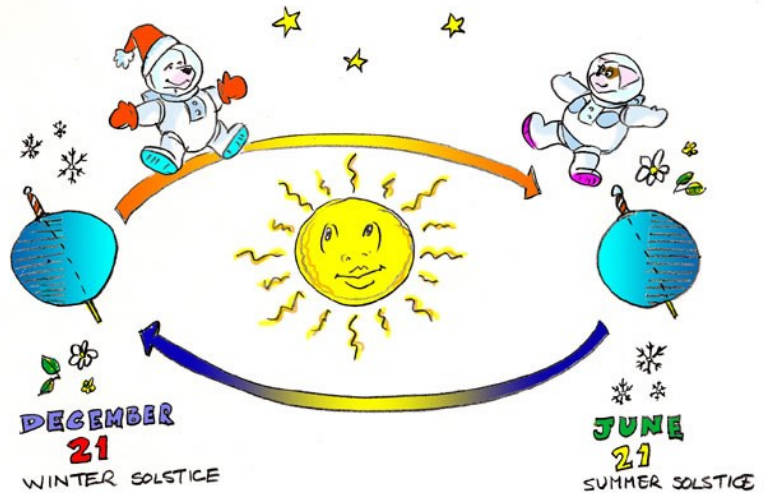

Nisa shared with us "Yes, because you need it, but only a little"

Finally, Petya says "Children become hyper and naughty when they eat chocolate. On behalf of teachers, I say 'no' to chocolate."

Summer solstice

Did you ever wonder why at Summer the days are longer and at Winter the days are shorter? The length changes throughout the year. In the summer, **June the 21 or the 22**, we experience the summer solstice, which is the **longest day of the year**. In December the 21 or the 22 is the winter solstice, or the shortest day. But wait! If you live in Australia, you experience the opposite—the longest day is in December and the shortest is in June!!!

By Wiktor

Celebrity Gossip

Guess what!? Our lovely teacher Hazera is expecting a baby. We can't wait to find out if it is going to be a boy or a girl. What do you think :) ???

Facts about a country Brazil

What kind of games did

Last months' competition and winners

- The answers from last month's **Riddles** competition are:
 - 1.Trouble
 - 2 .Breath
 3. Cold

Our prize of **20 house points** for giving the correct answers goes to **Nafisa in 3M** . Well done!!

- Challenge for the whole family—the winner is **Shanae in 3M** who gave the following answer: 'You take two from the first column and put them in the third. Then take one from the fourth column and put them in the second.' Well done girls !!!

Changes in the school menu

Tyssen children are very lucky! Finally, we have a new menu! We have been begging for a long time. Many delicious things on it now. Leigh-Ann said she prefers the spicy wrap but it's too spicy for the small children . Also the dinner ladies gave us **MORE** rice than usual (**You May Not Notice**) .The school councillors really do help. Thank you!

Your shoes can tell your age!
 Try this and see:

1. Take your shoe size (no half sizes, round up)
2. Multiply it by 5
3. Add 50
4. Multiply by 20
5. Add 1013

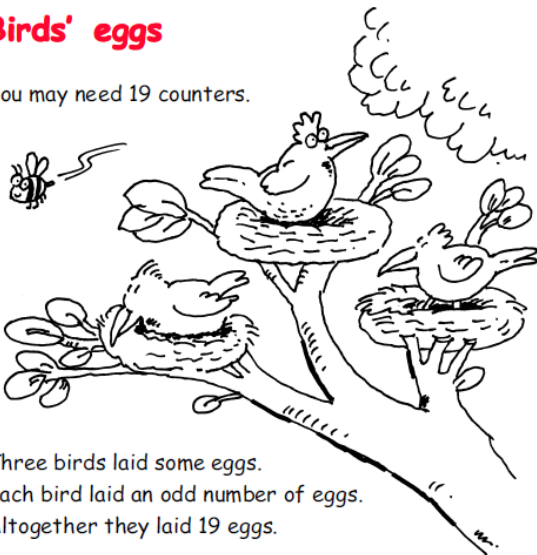

6. Subtract the year you were born
 The first digit is your shoe size &
 the last 2 digits are your age!
 Its shoe----- magic!

A Challenge for the whole family

Birds' eggs

You may need 19 counters.

Three birds laid some eggs.
 Each bird laid an odd number of eggs.
 Altogether they laid 19 eggs.

How many eggs did each bird lay?
 Find different ways to do it.

Riddles

What is so delicate that when you say its name you break it?

Poor people have it. Rich people need it. If you eat you it die what is it?

What comes up when the rain comes down?

By Lucy

Write the answers of the riddles or any other answers or ideas and drop them in the 'Answers and Suggestions' Box
