Dear Parents/Carers

Unfortunately we have had a number of complaints regarding the behaviour of our Year 5 children on the way home from school. We understand that a number of the Year 5 children have been given permission to leave school independently and this is on the condition that they know how to behave in public and can keep themselves safe.

We have had a number of complaints from shopkeepers as well as members of the public about the children's conduct on the bus and in the street.

If we have further complaints about individuals we will consider withdrawing consent for those individuals to leave the school premises unescorted. This would be a drastic measure but for the safety of all the children we may have to take this stance.

Please help us, by discussing with your child, the appropriate behaviour that should be displayed when in public.

If you have any further questions or comments please contact the school.

Regards

Tyssen SLT
