

09.12.2020

Dear Parents/ Carers,

We have an exciting news! **The wonderful Wizard of Oz** is coming to Tyssen!

Despite the challenges we are all facing, we have managed to arrange a pantomime performance at school. M&M theatre will be performing 'The wonderful Wizard of Oz' on Monday **1st February** and Tuesday **2nd February 2021**. This is what M&M say about their new and safe way of performing:

'We are proud to unveil to you our "Cinematic Theatre in Education Pantomime", with one live headlining professional actor, accompanied by 10 digital performers we are able to remove the risk of the tour being halted in the event self-isolation is required. Our 20-foot cinematic screen and ultra-high definition projector allow us to bring you a production scale unlike anything we have offered before! To accommodate social distancing and to ensure no one misses out, we will provide subsidised multiple showings throughout the day. This stunning new format is entirely immersive, and the headlining performer will be encouraging your children to respond and interact with the digital characters in the stage, as well as entering and exiting the digital world themselves through the use of green screen technology!'

To prevent any risk we have arranged:

- A separate performance for each year group to prevent mixing bubbles
- Disinfecting the performance area after each year group
- Performances will be as follow:
1st February - Years 1, 2 and 3
2nd February - Early Years, Years 4,5 and 6

The cost of the **ticket is £4**. Please use Parent Pay to pay for the tickets online by 15th January. For more details on the performance, please look at www.magicoftheatre.com. If you have any questions, please do not hesitate to ask your child's class teacher.

Kind regards,

Ms P Pinaleva
