02/01/2021

Dear Parent/ Carer

I hope you are all safe and well and I would like to use this opportunity to say Happy New Year.

I am sure by now that you have heard the news from the Government that **all schools in London will now close until January 18<sup>th</sup> 2021.**

Since the news came out we have been busy getting new plans together for the start of term. As before, when schools were closed, we will open for the most vulnerable children and children of Keyworkers. This link gives you the definition for these categories:

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision/guidance-for-schools-colleges-and-local-authorities-on-maintaining-educational-provision>

Once you have checked that your child/ children are eligible for a place please fill in the application form below.

[Keyworker Vulnerable Children form](#)

Children who are accepted to attend school will be required to attend daily and school will run on the normal daily timetable. There will be no Breakfast or Afterschool Clubs during this time. For children who are not in school we will go back to home learning using Google Classroom. We have contingency plans for this and the children and staff are far more able to proceed with home learning this time around. If you are still unable to access work please let the office know as soon as possible.

I envisage that we will be given access to vouchers for those on Free School Meals and as soon as we get confirmation on this we will let you know.

We aim to have more concrete plans together by 3pm on Monday and if there are any changes to the information given we will get the details to you.

I continue to be grateful for the way you have worked with the Tyssen staff over these difficult times. I ask that you are patient with us as we ensure that the school is a safe place for all and we educate the children to the best of our ability.

Stay safe

Jackie Benjamin
